INTELLIGENCE

MEMORANDUM FOR THE DEPUTY DIRECTOR, ADMINISTRATION,
CENTRAL INTELLIGENCE AGENCY

SUBJECT: Military Personnel Serving Outside the Department of Defense

In response to Congressional request, the Secretary of Defense is providing data on military personnel assigned outside the Department. This office has been specifically requested to collect and consolidate data regarding those personnel assigned to classified activities, the bulk of which are at CIA. Although we maintain some information on this subject, we do not have data broken down in categories as requested. We have been asked to provide numbers of personnel by Service and grade for end FY 74 and 75, and as projected for FY 76.

Mr. Craig Wilson is our point of contact for this project, and has had preliminary discussion with [REDACTED] Chief of Military Personnel as to the availability of this data. Because of our short suspense, I would appreciate if the data were phoned directly to Mr. Wilson (Grey Phone 2288/2289) by close of business on 26 August 1975.
